

BRING BOLD TO YOU

SCHEDULING SUMMER 2024!

BOLD Arts programs are tailored to your community's needs. Some camp models include:

- ★ BOLD classes as a part of a day camp, offering some of our trademark classes like BOLD Pop and Dance a Story
- ★ A themed BOLD Arts week as a part of summer-long offerings, with an original child-generated performance at the end of each week
- ★ A themed BOLD Arts week or intensive at your sleepaway camp
- ★ Mini-Camps for your child and their closest friends or homeschool co-op group in a park or convenient spot near you
- ★ A dance event at your camp. We bring the music and the team to you for a dance party, a literacy event, a family day.

BOLD has been dancing in camps around the tri-state area since the summer of 2012. In all of our camps and classes, you'll see high-energy, accessible dance, with kids in the drivers-seat, bringing their creative voices to the process.

"Thank you, BOLD Arts, for providing our campers with amazing dance programming over the summer! Our campers have had a blast, learned new moves, and developed a genuine love for dance. You're more than just instructors; you're the dance party that our campers can't get enough of. Thank you, and keep grooving!"
